Suspension of ISO 9001 Certifications to be Rescinded
at Mitsubishi Electric’s Power Distribution Systems Center

TOKYO, January 26, 2022 – Mitsubishi Electric Corporation (TOKYO: 6503) announced today, that effective January 26, 2022, per a special audit Lloyd’s Register Quality Assurance Limited (currently LRQA Limited) will rescind the suspension of the certification under the ISO 9001 international standard for quality management systems at the company’s Power Distribution Systems Center in Kagawa Prefecture. The LQRA Limited had suspended this certification on August 23, 2021 which was partially withdrawn on September 22, 2021 (as announced by the company on August 23 and September 22, respectively). Mitsubishi Electric will seek to reacquire the full scope of previous certification.

Notice Received from LRQA on January 26, 2022

1) Certification for which suspension will be rescinded on January 26, 2022
